suitable grant, to cover the cost of
printing.

1) Asked. Perhaps the Depot may be
asked to undertake the printing of
Census work on his press. As regards
the grant asked for it is too early to
think of it. The budget has been sanctioned
only very recently" and he may meet
the cost by printing work of the Census
Dept from his Provincial Dept and
apply later on for addl grant
if necessary. Further as a result of
the orders on the Press Committee a good
some of the Foot work of the Dept under
that order will be diverted to Private
presses and the Press will not have
sufficient work and there will be sufficient
funds with him to meet the expenditure For order

Chief Secretary to the Government of
His Highness the Maharaja of Mysore,

SIR,

I have the honour to state that the Census Superintendent is sending work for printing and he tells me that he has plenty of work to send in future. I have not received any orders of Government directing the Press to execute the work in the Government Press nor has any provision been made in the Press budget to meet the cost of Census printing. The work is heavy and emergent and has to be done in preference to other work in many cases.

2. I therefore request to be kindly informed whether the Census work may be done in the Government Press and if so, a suitable grant to cover the cost of printing may be kindly given to the Press.

I have sent some bills to the Census Superintendent for the work so far done and though he accepts them, the amounts of the bills are not given credit to the Press in the Comptroller's Office.

I request that Government may be pleased to issue necessary orders in the matter.

I have the honor to be,
Sir,
Your most obedient servant,
